# Quake on live radio! CRN-the Mona Miller Show

This past Sunday morning, on January 27th the California Quake organization was on a live radio show on CRN - the Mona Miller Show. Don't worry we didn't bring the entire team we wouldn't have fit in the room but we did bring enough to overwhelm Mona and her staff. Head Coach, Josh Penn and Defensive Coordinator, Stephanie Neroes, attended the show along with several other players: Catherine B. Vivo, Helen Moneterroso, Liz Lin, Deb Küntz, Ki Fujikawa, Brig Mattson-Goldberg, Chris Shaneyfelt and Kristin Nicholas.

Mona Miller picked their brains about the fight to play outside the box, the struggle of women playing an untraditional sport - women playing tackle football. Click here to listen to the show.
